**Project Size:** 1 acres

**Project Cost:** \$2,255,623

Hays LAS worked side by side with Kayafas Architects in developing cabin sites and a special events building for Grand Vue Park in Moundsville West Virginia. These projects represent approximately two million dollars in development as a result of the Hays comprehensive Master Plan. The Hays LAS role included: building placement, establishing finished floor elevations, site demo, utilities, grading layout, planting plans, site construction details and specifications.
